

## **Unveiling the Inaugural Lifestyle Medicine in Latin America & the Caribbean (LMLAC) Conference -*Prevention of Noncommunicable Diseases!***

**Date: February 23-25, 2024**

**Location: Curaçao**

**Don't miss the opportunity to attend the groundbreaking Inaugural Conference on Lifestyle Medicine in Latin America & the Caribbean (LMLAC) Noncommunicable Diseases (NCD's) in the region. A game-changer!**

### **44 Global Leaders unite**

Join an extraordinary gathering of 44 visionary leaders from 22 countries, as they converge in the beautiful Caribbean island of Curaçao. These renowned experts, pioneers in the field, will lead the charge in the prevention of NCD's, including diabetes, respiratory diseases, cancers, and cardiovascular diseases. Witness them share their ideas, strategies, and approaches that will help to shape the future of healthcare in the Americas.

### **Networking & Knowledge Exchange**

At LMLAC, you'll gain access to invaluable networking opportunities. Connect with experts, share insights, and immerse yourself in the latest advancements in NCD prevention. It's the perfect platform to exchange experiences and knowledge that will elevate your medical career.

### **Calling All Medical Professionals**

If you're a medical professional or involved in Lifestyle Medicine, this conference is of interest to you. Secure your seat now, as they are limited and in high demand.
